🇫🇷 Français (Native)    🇬🇧 Anglais (Fluent)    🇨🇳 Chinois (Beginner)

### PROFILE

"An engineer with 10 years of experience in critical infrastructure management and technical support, I leverage expertise and project management skills to design innovative and sustainable solutions.

As a specialist in system administration, networking, and data management, I solve issues, optimise performance, and support. My approach blends responsiveness and project leadership, serving as a bridge between experts and stakeholders."
